Mission Statement

Fabens High School will be a student-centered institution of higher learning that will address and meet the needs of its students. The teacher, administrator, and staff will assure that all decisions made are based on what is best for the student, parents, teachers, and the Fabens Independent School District. Every student will be treated as an individual and will secure the opportunity to a genuine education.

Vision Statement

Fabens High School will support students in their social emotional development in conjunction with providing opportunities to open doors in becoming college, career, and military ready.

COMPREHENSIVE NEEDS ASSESSMENT

Introduction

The comprehensive needs assessment was conducted by the Campus Improvement Team and reviewed by the Faculty and Staff during the Staff Development week on August 5 in the Fabens HS cafeteria. The CNA as well as the CIP was reviewed by CIT and Faculty and Staff on October 25. Data used to inform the CIT for the CNA process include TAPR reports, student assessment data found in DMAC, Student and Faculty Reports found in TEAMS.

Demographics

Fabens ISD is a rural district serving the Fabens Community. Enrollment has declined in recent years prompting the transition to an open enrollment district with innovative programs to attract students. Fabens ISD is a District of Innovation which currently offers Early College, STEM, and Career and Technology Education (CTE) Pathways for High School Students. Fabens ISD is a STEM District with an aligned approach to STEM curriculum at all campuses. Fabens ISD maintains strong partnerships with El Paso Community College, The University of Texas El Paso, El Paso Electric, The Workforce Commission, and Prudential to increase opportunities for students. Fabens ISD competes in UIL Athletics, Academics, and Fine Arts with great success. Fabens ISD offers comprehensive services to students who are Migrant, Homeless, and to those with Disabilities. Fabens' average household income is \$26,289 with a population of 6,203.

Fabens High School represents the lone high school within Fabens ISD. Fabens HS follows a school within a school model for the Cotton Valley Early College Program, T-STEM Program, and the planning year for a P-TECH Diesel Technology Program. As of the 18-19 school year, Fabens HS was comprised of 744 total students (9th – 212, 10th – 191, 11th – 171, 12th – 170); 98.9% Hispanic, 1.1% White; 87.1% Economically Disadvantaged, 7.0% 504, 30.5% English Learners, 61.8% At-Risk, 2.8% Dyslexia related Disorders; 79 Total Students with Disabilities; 11.1% Total Mobile Students.

Demographic Strengths

Fabens HS is one of the focal points of the Fabens community. The students at Fabens HS are very humble and respectful. Fabens HS serves as a beacon of light at times for festivities throughout the year. Students from all programs on campus contribute to bring great pride throughout the community.

Demographic Needs

Problem Statement 1: 87.1% of students at Fabens HS are economically disadvantaged. Root Cause: Fabens represents several of El Paso County's outlying rural communities faced with economic challenges.

Problem Statement 2: 30.5% of students at Fabens HS are English Learners. Root Cause: Several students with families connected to Mexico live throughout the community with the home language being Spanish.

Problem Statement 3: 61.8% of students at Fabens HS are At-Risk. Root Cause: High numbers of English Learners and challenges with Graduation Rates represent a portion of challenges with the At-Risk population.

Student Achievement

Fabens HS received a rating of a “B” for the second consecutive year. Fabens HS received Distinction Designations in three categories: ELA/Reading, Science, and Social Studies.

English 1 EOC had gains across the board in **Approaches** (56% to 61%), **Meets** (31% to 34%), and **Masters** (2% to 5%).

English 2 EOC had decreases across the board in **Approaches** (65% to 57%), **Meets** (38% to 35%), and **Masters** (6% to 2%).

Algebra 1 EOC maintained in **Approaches** (90% to 90%), had gains in **Meets** (58% to 59%) and **Masters** (26% to 27%).

Biology EOC had decreases across the board in **Approaches** (90% to 86%), **Meets** (55% to 46%), and **Masters** (14% to 9%).

US History EOC had increases in **Approaches** (94% to 97%), **Meets** (67% to 73%), and decreases in **Masters** (35% to 30%).

Student Achievement Strengths:

English 1 EOC scores did very well, earning a distinction. US History Approaches and Meets scores increased by a good amount. Algebra 1 EOC Meets and Masters had increases.

Student Achievement Needs:

Problem Statement 1: English 2 EOC continues to be a challenge with our population. Root Cause: English Learners represent 30.5% of the population.

Problem Statement 2: Biology EOC scores had decreases overall. Root Cause: SPED scores decreased from 73% in 2018 to 59% in 2019.

Problem Statement 3: Industry based certifications remains at 0%. Root Cause: Although low % for the State at 4%, we must review what certification tests are given in CTE courses.

Staff Quality, Recruitment, and Retention

Summary

Fabens HS faces challenges at times with Dual Credit / Early College Educators leaving for positions out of Fabens or at EPCC. Fabens ISD continues as a District of Innovation, including within the application to hire in high need positions such as Dual Credit/Early College, CTE, Math, or Science. Challenges faced with hiring under District of Innovation are the contracts offered to those individuals as At-Will hires.

Strengths

70.1% of teachers at Fabens have six or more years of experience. Teachers share deep loyalty and vested interest in the campus and community of Fabens. Several teachers are alumni of Fabens, serving as positive role models for the students.

Needs

Problem Statement 1: Hiring and Retaining high quality staff in areas of need such as Dual Credit. Root Cause: Competition from other El Paso County Schools and the distance for commute.

Problem Statement 2: Informing El Paso County, UTEP, EPCC on the positives of working in Fabens. Root Cause: Updating website, Human Resources, creating lasting contacts with each Institute of Higher Education as well as ESC19.

Curriculum, Instruction, and Assessment

Summary

Fabens HS has made strides in improving PLC structure within the master schedule. This school year, Algebra 1, English 1, English 2, Biology, and US History each share a PLC period within the school day to support a stronger PLC. Fabens HS is in its second year of implementing DMAC for assessments. Although training has been provided, there are more areas for improvement and usage. Scanning answer documents have presented a challenge as not all sheets will scan readily. TEKS Resource System is Fabens HS primary source for curriculum sequencing. DMAC is also used for teacher evaluations of TTESS.

Strengths

Teacher leaders have shown great strength in leading faculty on Fundamental 5 strategies within the classroom. Region 19 continues to support the campus and teachers in improving all areas. Empowering teachers to lead others instructionally has shown to be a strength at Fabens HS.

Needs

Problem Statement 1: Teacher use of DMAC needs to improve. Root Cause: Issues with scanning forms and the ability to focus on open ended questions.

Problem Statement 2: PLCs need more support throughout the entire department to improve vertical alignment of curriculum. Root Cause: Admin will review the viability of department wide PLC periods for next school year.
